I'm not always sure why you'd spend time reading this guff when you could already be flicking through the finest magazine on the top shelf. But this issue is so jam-packed with stupendously hot girls from around the world that I'm going to actually lose my rag if you spend any more time reading this. Honestly, what are you still doing here? Anneli, Sophia and Tommie are naked just a few pages away. Eden, Linet, Michelle and Conny are going to start getting dressed if you don't hurry up. Dear Club,
Dave, my husband, had been suggesting we send my picture to your magazine's Reader's Girlfriends section for a while, but I could never bring myself to go through with it. I know I've got a good figure, and I have no inhibitions about showing it, it's just that I never 'felt' that sexy, even though Dave had to constantly put the camera down for a wank! The last 'shoot' we did, however, was different.

We'd had a chat about what we both find a turn-on in your mag and some of the other porn titles. We both agreed that the stereotypical blonde, busty woman in heels and suspenders was what we both liked. Well, I already had the big tits, but I bought an incredibly padded push-up bra, suspenders, six-inch heels and, of course, a long blonde wig. When I looked at myself in the mirror, I saw what I'd seen my husband toss himself off to a thousand times. I couldn't wait to get started!

As I lay on my back, I felt more confident in staring directly at the camera, and my legs were certainly wider than usual. My tits were virtually tucked under my chin, and my cleavage seemed to go on forever. With Dave snapping away I ran two fingers between my pussy lips before spreading them so he could get a great shot inside me. With my free hand, I pulled my blonde locks over my tits, and then sucked at my middle finger seductively, my eyes fixed on the lens.

Rolling onto my front, I raised up onto my knees with my pussy lips still spread, so Dave could see both holes. I know when he sees that in the magazine he imagines burying his face into both orifices. I know your readers think the same, and with this thought in mind, I moved my well-manicured index finger to my bumhole and poked it in slightly. Falling flat, I reached back and pulled the heels up to my bum, craning round with a wild look in my eyes.

Sitting in the armchair, and draping one thigh over each arm, I cupped my tits and began to lick at my rock hard nipples. Taking one hand back down to my clit, I imagined all the positions I had seen the models get into and arched my back to show my curves in the best light. Staying on the armchair, I turned round once more and buried my face in the soft material, with my fake hair strewn everywhere. I took two handfuls of arse cheek and exposed my bumhole further, dreaming of all the readers wanting to get

TEST DRIVE BENTLEY!

Dear Club,
I've been wondering when you were going to get around to having Sam Bentley in your otherwise perfect magazine. She's my favourite porn star of the moment – she looks entirely natural, none of your fake American style. She's like a girl you'd see on the high street or at work. But then when she goes to work on a cock or a cunt, she's absolutely filthy. And pairing her with Mia Malkova made it even better. I'd love to see the video of that shoot! Or even better be in one with both of them...
Stuart, Dumfries

We've been waiting for the right photos of Sam to turn up, but when we saw these ones – and the ones we couldn't show you were just ridiculously hot, with Mia getting into all those positions she can get into, and Sam taking perfect advantage – we had to share them. We're hoping she'll grace these pages again soon.

SNOW JOKE!

Dear Club,
Whenever I go into the fields near my house during winter and trudge through the snow, all I ever chance upon is the odd patch of yellow snow. You lucky *Club* bastards come upon Holly wearing little more than a smile! Loved that photo shoot – she's a real cutie and I hope you'll invite her back. Next time maybe give her somewhere a bit warmer to pose though!
Will, Cumbria

Yep, she's a real trooper is Holly. We were just off camera at all times with a cup of hot Bovril should it be needed, or a warm, enveloping embrace. We much preferred giving her the latter…

their cocks inside me! As I imagined this, the camera stopped clicking and I felt a rigid prick nudging its way between my cunt lips. I was consequently fucked in every position, as I had never seen Dave so excited! Remaining dressed as I was allowed me to be more free, and I commanded him to be 'fucking filthy' with me. He didn't need asking twice!

Since getting the inspiration once, we've managed to capture more than ever on film, and could virtually fill a magazine ourselves. I still haven't quite had the courage to send them in yet, but I'm sure that will change soon.

"Although," she confesses with a twinkle in her eye, "it can't hurt, can it? Just a little reminder to all the men and women who read *Club*! I'd be most grateful if they'd vote for me."

This is electioneering!

"Okay, it is but I'd be very, very grateful. In fact, I'd be prepared to let one lucky reader know just how grateful ALL my holes can be!"

My god, can any other girl top that? ♣

Club's ROUGH GUIDE

Controversy and commercial breaks dominate and dog this month's events, but as always Matt Loxham is on a mission to find the sport...

Winter Olympics

Sochi, Russia
February 7th to 23rd

The Winter Olympics have already created a stir before they've even begun, with claims of corruption, political posturing, ridiculous overspending, bizarre planning and a multitude of human rights issues blighting preparations for the big event.

Coming in at an estimated 50 billion dollars this will be the most expensive Olympics (summer included) in history, hosted by a city with mild winters and a humid subtropical climate in a country that is mostly snowbound and fucking freezing everywhere else. Allegations abound of Vladimir Putin's mates getting the big contracts to put in the infrastructure, of which much reportedly had to be done from scratch on reclaimed swampland, and appalling conditions for the workers. Make of all that what you will, but it does all seem quintessentially very, well... Russian. Throw in the threat of terrorist attacks and rumours of an on-site gulag for any Russian athletes who don't medal and you've basically got what critics are calling a disgrace and a potential disaster, and it's difficult not to agree given the evidence.

Perhaps understandably the exciting prospect of the sporting action itself has so far been somewhat dampened by the turbulent preparations, but surely once the competitors hit town and the events begin then all the negative stuff will be forgotten. Certainly, the millions of fans of winter sports around the world and one Vladimir Putin will be hoping that, anyway.

Lindsay Vonn, American downhill skiing darling and occasional bikini model, will be one of the main draws should she recover from a knee injury to defend the Olympic title she won in Vancouver four years ago, and ginger snowboarder Shaun 'The Flying Tomato' White bids for a third consecutive gold in the half-pipe. Russian interest will hit fever pitch in the ice hockey and for figure skaters Tatiana Volosozhar and Maxim Trankov, who are huge favourites on the rink.

Team GB are not without their medal hopes either. Shelly Rudman is the current skeleton bobsleigh world champion and is tipped for a gold to match that won by Brit Amy Williams in Vancouver, and Lizzy Yarnold is also fancied in the same event. Bright young star James Woods has live chances in the freestyle skiing along with Katie Summerhayes in the women's event, and Scot Elise Christie could bag a gong in the notoriously unpredictable short track speed skating.

Both the British men's and women's curling teams hold outside hopes of gold, and let's face it – if a Winter Olympics isn't about staying up way too late watching a surprisingly absorbing curling match then I really don't know what they're about at all.

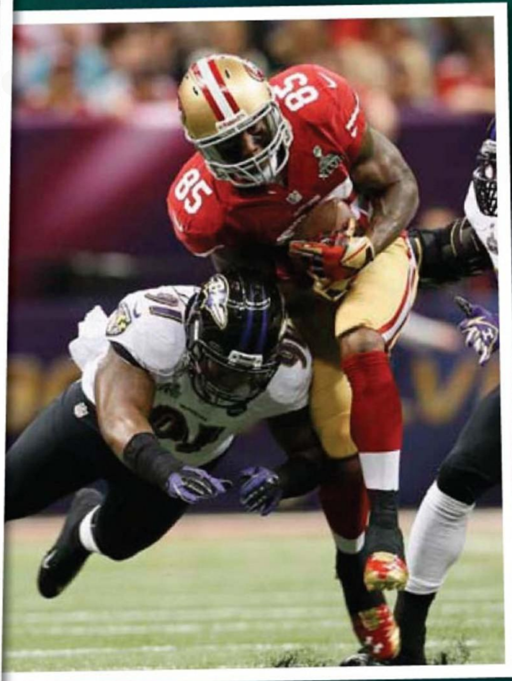
The organisation of the Sochi Winter Olympics might be a dubious shambles full of alleged dodgy backhanders and casual abuse of human rights and freedom of speech – but the sport is set to be sensational! For a couple of weeks in February that should be all that matters, although the post-mortem and subsequent legacy of this controversy-laden debacle will be interesting, to say the least.

Six Nations Rugby Union

Various Venues
1st February to 15th March

Six Nations action traditionally dominates the winter sporting calendar, with the Beeb devoting hours of coverage to the spectacle and millions of armchair rugger buggers tuning in to watch leather-faced pundit John Inverdale and chums bollock on about scrums and whatnot. Tickets are like gold dust and massive arenas such as Twickers, Murrayfield and Cardiff's Millennium Stadium sell out in seconds. Not bad for a second-rate European tournament that doesn't even accommodate the best three sides in the game, Australia, New Zealand and South Africa.

The mass appeal of the Six Nations is mostly down to the competitive, passionate nature of the matches and the sheer

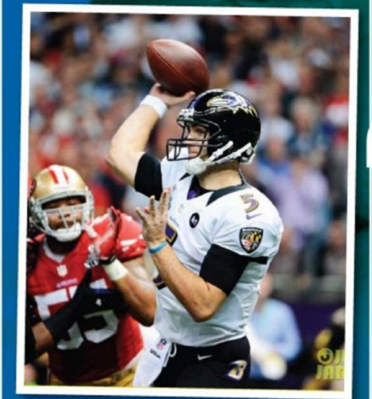


unpredictability of the results the championship tends to throw up. Predicting games often verges on the impossible – even more so now Italy have got a bit good – and the only genuine form barometer is the series of Autumn internationals that take place the previous year and pitch the European sides up against the Southern Hemisphere giants. As a rule of thumb this barometer has typically proven to be pretty wonky in the past.

Across the raft of high-profile test matches played back in November England were the only Six Nations team to beat Australia, although Wales did run them close. Ireland struggled against the Wallabees but almost scored a famous victory over New Zealand. England and France pushed the All Blacks but were less impressive than Ireland, while the plucky jocks gave Australia a run for their money. Italy were pummelled by the men from Down Under but are impossible to write off such is the rate of their improvement.

Even looking at last year's Six Nations doesn't help. England went in as huge favourites and looked nailed on until they were turned over by Wales in the deciding match, a team that had lost seven straight matches in their build up to the tournament and then suddenly found themselves winning the thing – just like the year before. France, on something of a winning streak in their preparations, ended up taking home the wooden spoon, beaten by the Italians along the way.

All the more appealing for its unpredictability it's no wonder the Six Nations is such an enduringly popular fixture on the sporting calendar. Watch and enjoy – but maybe steer clear of the bookmakers for the duration.



Super Bowl XLVIII

MetLife Stadium, New Jersey
February 2nd

Yes, it's that time again already. A time when commercial breaks become headline news and a half-time show is considered more important than the game itself. A country grinds to a halt; over 100 million people tune in to watch. Only in America, as they say, and indeed only the Super Bowl could happen in America, an all-singing, all-dancing, all-touchdowning hypefest that makes our FA Cup Final seem like a low-key kickabout.

Exciting rumours abound that Miley Cyrus will be put to work flogging pistachios and quite possibly twerking at some point during the famously expensive and frequent ad breaks and popular midget Bruno Mars is booked for the half-time music.

This season two teams stand helmet and shoulder-pads above the rest in the race to be at the MetLife Stadium, usually home to the two New York outfits, the Giants and the Jets (both of whom are currently rubbish).

> **"For obvious reasons of entertainment, Denver Broncos Vs. Seattle Seahawks is the final most neutrals would like to see"**

The Denver Broncos, fronted by their mercurial, age-defying, superlative exhausting quarterback Peyton Manning, have the frighteningly potent offence, scoring literally shitloads more points than any other team during the regular season, while the Seattle Seahawks boast a brutal defence tagged the 'Legion of Boom'. Crikey. With both sides having joint best record (13 wins and 3 losses) and earning home advantage throughout the playoffs, this is the final sensible pundits are predicting and for obvious reasons of entertainment the game most neutrals would like to see, but with a place at the biggest show on earth at stake things don't always go to form and fancy.

Potential party poopers include the New England Patriots, practically unbeatable at home and with their very own mercurial age-defying quarterback, Tom Brady, leading their line.

Much has been made of the fact that this is the first Super Bowl to be held outdoors rather than in a nice warm dome with a roof. Everyone should wear gloves and thermals and Bruno Mars, it's worth noting, will have to wear his miniature fur-lined onesie. ♣

MATT DAMON

ELYSIUM
FROM THE DIRECTOR OF DISTRICT 9
"Head-spinning action. Matt Damon could not be better."

It's fair to say that *Elysium* has had some mixed reviews. Not all good, not all bad, but there seems to be a sense of disappointment. Critics have been reviewing *Elysium* mostly in comparison to director Neill Blomkamp's debut, the impressive and original *District 9*. And it's hard not to put them next to each other. This has bigger stars, a bigger budget and a bigger 'feel', but it is in nearly all ways the inferior film. The scathing wit of *District 9* is largely missing here, with Matt Damon a reliable but stolid lead character. He's Max de Costa, suffering from cancer in a world where the rich have deserted a dismal earth for an off-planet paradise called Elysium. If Max can get there, he can be cured. But standing in his way is Jodie Foster's Secretary Delacourt and the feral Agent Kruger. Kruger is played by Sharlto Copley, who essays anosther nervous, scabrous performance. The film lights up whenever he's on screen. Unfortunately, it slows right down whenever Foster appears. Hers is a strange, pursed performance, her dialogue delivered as if without a tongue. Impressive effects aside, this film is at its best when it's delivering Cronenbergian body horror mixed with steampunk action. When it goes space age, it loses its way. So you could call *Elysium* a failure, but if it is it's still an ambitious, interesting one.

THE SELFISH GIANT
Artificial Eye

Inspired by an Oscar Wilde story – very loosely inspired, it has to be said – this is a wonderful British gem. It's not an easy watch – it's gritty, it's awkward – but the story of Arbor and Swifty, two young boys who collect scrap metal to scrape a living and impress local dealer Kitten, is haunting and original. The two young leads, Sean Gilder and Conner Chapman, are wonderful and truthful, and director Clio Barnard elicits tender performances from both of them. It's a slice of Britain far away from Metropolitan life, devoid of celebrity. Barnard is already a director to watch, but an eye should be kept on her promising young cast as well. ★★★★

"COMPUTER CHESS"

Director Andrew Bujalski has carved out a niche in the 'Mumblecore' film movement, on which we won't dwell. This is a notable step up from his previous work, a retro pastiche that looks like it might actually be about a group of software developers trying out their virtual chess programs against real world players, but develops into much more than that. It's very funny, and not just in a retro 'look at those old computers and brown suits' way, and captures an optimistic era with a wry, sad tinge. The Eureka extras are as exemplary as always, making this a great gift for the indie-film lover in your life. Or get it for Nigel Short's birthday... ★★★★

THE WAR HAS ONLY JUST BEGUN
Ratlines
STUART NEVILLE

Look past the dreadful by-numbers cover and you'll find an intricately plotted crime novel not afraid of some big issues. The Ratlines were the escape routes Nazis used after the war, and here we are in Ireland, where Nazis who sought asylum are being hunted by a killer. Lieutenant Albert Ryan is asked to investigate, but will he go with Charles Haughey, or go with his conscience?

DAVID THOMAS
Ostland
SURROUNDED BY EVIL, HOW LONG CAN ONE MAN'S GOOD INTENTIONS LAST?

In 1941, an idealistic detective investigates a serial killer in Berlin. In 1959, he's being investigated himself for terrible war crimes on the Russian front. This is so much more than a novel with Nazis – it's a tremendously written exploration of heroism, the Holocaust and its post-war legacy. Thomas could have churned out a fine pulp novel with this material, but he elevates it way beyond that with this unputdownable page-turner.

NORWEGIAN BY NIGHT

Sheldon Horowitz is 82, a former US marine who has reluctantly moved to Oslo to be with his daughter and her Norwegian partner. He's also going senile. Yet he's the unlikely protagonist and hero of this clever crime novel. He witnesses a murder and ends up on the run in the company of a child from Eastern Europe who doesn't speak. They're an odd couple, but together form the core of an original, witty and thrilling debut.

HTC One Max

www.htc.com

It's strange that while salaries have been declining over the last few years, with the economy tanking, the money we spend on phones has been shooting up. People don't blink about dropping £500 on something that lets them 'like' a friends photo of a cute cat while they're walking down the road into people who are looking where they're going. And now this one clocks in at £600. For all that, it's a lovely phone, with a 5.9 inch screen with full HD and fingerprint technology. Storage is expandable, it has good sound, and the only real downside is that it won't fit in any pockets we have. And we have big pockets.

Pros: Great screen, features galore.

Cons: About the size of a house.

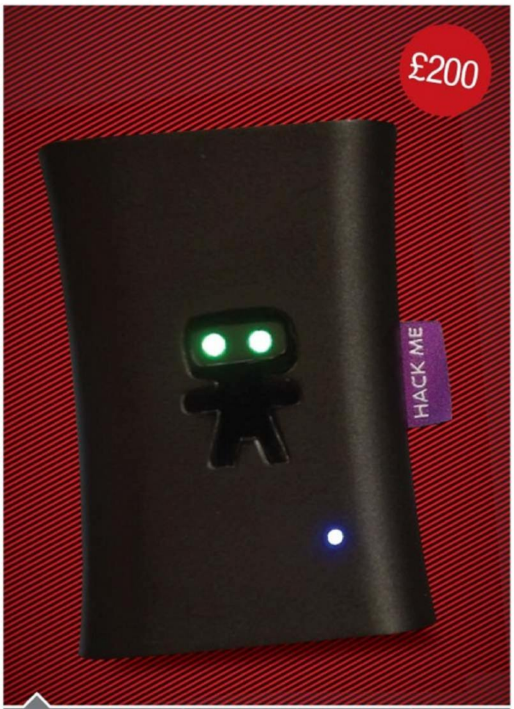
Lenovo Yoga Tablet 10

www.lenovo.com

The big selling point of this tablet – and we assume it's the one that gives it the 'Yoga' element of its name – is a kickstand. It's a nice kickstand, it's useful for typing, and it's useful for getting a nice viewing position without the need for a tablet case, which usually isn't brilliant anyway. But that's as good as it gets. Because what you'll be watching isn't really up to snuff – the screen looks terrible against its competitors, even in the same price range. The Android OS is a bit out of date, the sound is nothing as good as it boasts, and overall this feels like something you'd be gutted to find in your Christmas pile.

Pros: Long battery life.

Cons: Screen is pretty awful.



Ninja Block

www.ninjablocks.com

Some things in the tech world look all cool and fascinating, but once you actually consider what they do and their implications, they're not quite so exciting. If you gave someone a Ninja Block and asked them to guess what it did, we imagine they'll think of something more thrilling than calibrating home sensors and cameras to the internet so that you can check up on what's going on when you're not there. How better to spoil the holiday you're on than by spending it wondering how warm it is in your home and seeing if the bins have been picked up.

Pros: User-friendly, cute.

Cons: Pointless for most people. ♣

TEENAGE LICKS

...all through the night!

We hoped that we weren't going to offend Linet when we told her that she had a body built for porn. Far from taking umbrage, she agreed wholeheartedly. After all, have you seen those tits? Perky, puffy and suckable, they're the kind of boobs all porn stars should have. Linet sucked her own nipples, came repeatedly and then asked if any of the men in the room wanted to fuck her. Like we said, built for porn... ♣

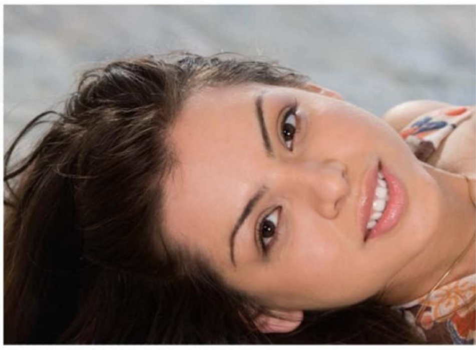
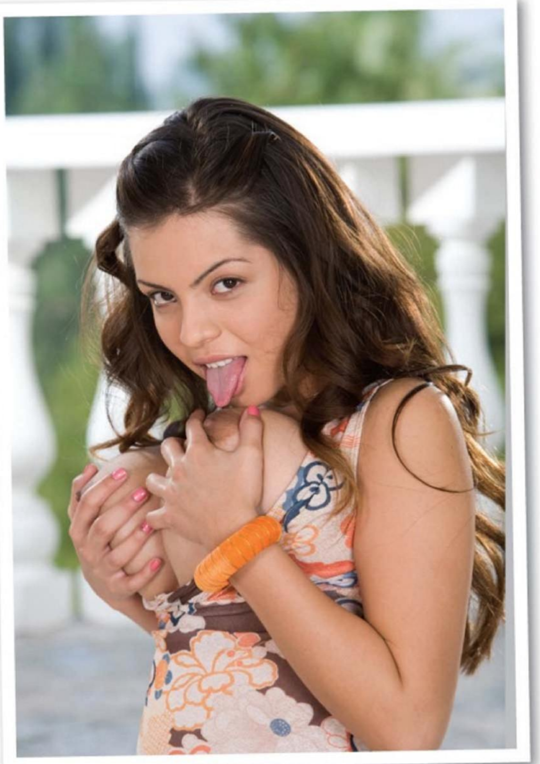
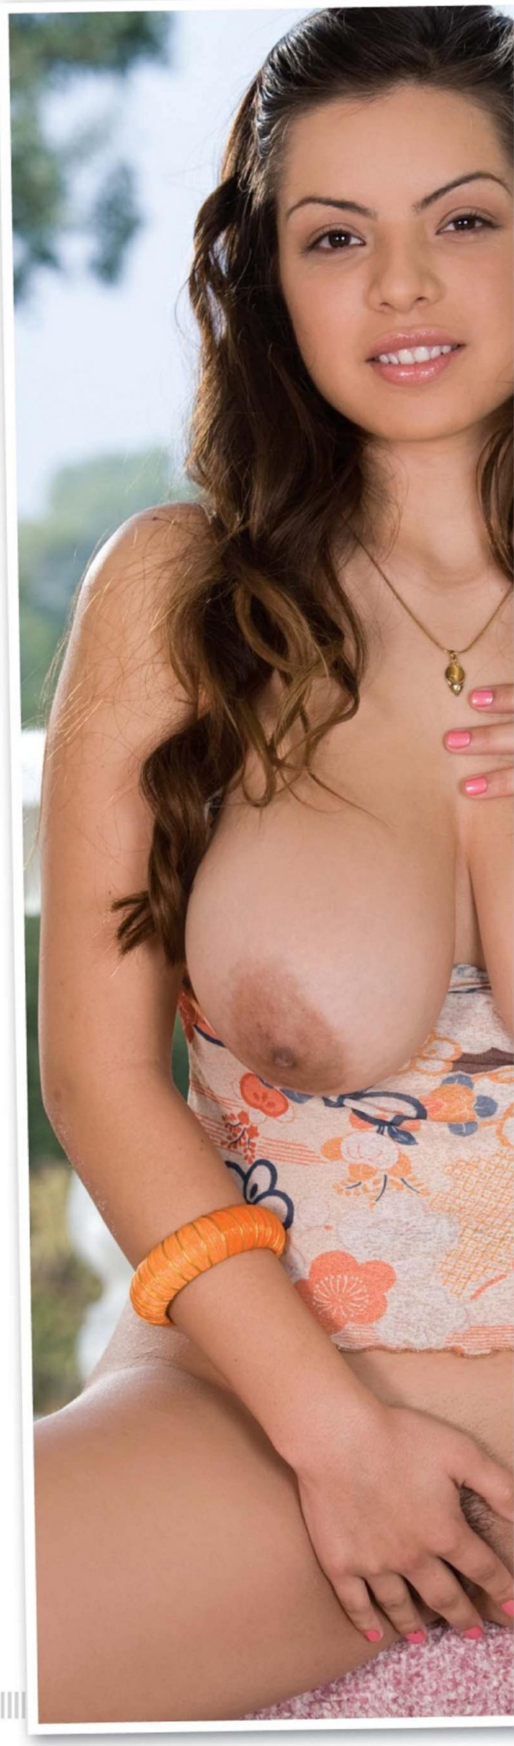
TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!







TOTALLY TROPICAL!

Let me set the scene. We're staying in some gorgeous, tropical location – let's say, Barbuda. You've just treated me to a lovely lunch, and now we're back at our rented villa, I want to express my gratitude. I'm going to put on a special little show for your eyes only. You just wait there one second while I go and press play on my CD player.

Okay. First of all, let's deal with this dress. It's floor-length and black, though in full sunlight, entirely see-through. I stand in the sunny doorway to demonstrate, knowing my black G-string and vest top will be clearly visible to you. I turn around so to stand with my back to you, hook a thumb under each shoestring strap of my dress, lift, to the side, and in one swift movement my dress is off. You're left staring at my peachy globes, perfectly framed by my G-string.

Leaning against the door frame with one hand, I jut my butt out and gyrate it a little. You move your chair closer so you're only a couple of feet away. Slowly, I run a hand over a pert buttcheek, relishing its perfect roundness. I spread my fingers and slide my middle finger down the cleft between my buttocks, towards my engorged pussy lips. My hips are still slowly swivelling round in small circles.

Still facing away from you, I pull the straps of my top off my shoulders one at a time. I slowly drag the strap down my arm with a long fingernail, scratching myself ever so lightly, so my nail leaves a thin, pink trail on my skin. These gentle touches give me goosebumps. Both straps are down now, and my top sits around my slender midriff. I cross my arms at the front and cradle a breast in each hand. I turn around to face you.

You can't see any breast at first, then I part my fingers slightly to let my nipples poke through – they're hard as bullets. I close my fingers on my nipples again, squeezing them between my fingers, releasing a small sigh as I do so. My hands drop to my sides, fully revealing my naked tits to you. I'm getting really turned on now, and my tits heave up and down with my heavy breathing. Stepping closer towards where you're sitting, I ask you to take off my panties. You oblige, deeply inhaling my womanly scent.

I ask you to put your legs together, noting the huge bulge in your trousers. I open my legs and straddle you, while still standing up. You can see the deep pink of my cunt as I spread my legs, my pussy hovering a few inches from your face. I run my hands over my body, leaning my head back as I brush over my breasts, swooping low over my stomach until I have a hand gripping the inside of each thigh. Then I put a finger to your lips, softly asking you to suck it. When you've done so, I put that finger to my pussy, parting its glistening folds. I slowly trace tiny circles around my clit, stimulating the wetness in my cunt. Then my finger probes further inside me, pushing past the momentary fleshy resistance of my inner pussy lips, and sinking deep into my hot, soaking twat, right up to the knuckle.

That's fucking good – I pull my finger out and put it to your lips so you can see how wet I'm getting putting this little show on for you. I dive back in, this time with two fingers. My pussy's making little slurping sounds now as my juices are really pumping. I pull my

> “You feel my wet pussy lips kissing your balls and know that you are all the way inside me”

puffy labia open with the other hand, clearly displaying my erect little button.

Your head comes forward and you poke your tongue out to gently lap at my clit. Your tongue’s big, wide, and very soft – the lightest of touches on my most sensitive area sends shivers up and down my spine, and I start to gently move my two fingers in and out of my cunt. You lap rhythmically, brushing over my button with your lips to vary the texture every so often. The initial few tremors of my orgasm are kicking in, and I urge you to go faster, slipping another digit into my sopping hole. Your face is smothered in my juices, and you’re licking in little circles now, with quick flicks of your tongue. My back arches, pushing my cunt further into your face. You gobble greedily, sensing my moment is near. I ram my fingers up myself one last time, then climax, jerking my pussy into your face as waves of pleasure crash over me. My cunt spasms around my fingers and my juices drip down my hand and onto my arm. Oh, that was delicious – thank you! Now it’s your turn…

I step back, unzip your fly, and release your erection. It’s as solid as a rock – I’m glad to see you enjoyed my performance. I wrap first one hand around it and then the other, pumping up and down a couple of times to maximise hardness. I want you inside me. Now. I put one knee on either side of you on the chair, hook my arms around the back of your neck, and look you straight in the eye.

Slowly, I lower myself towards your waiting cock, until your helmet just brushes against my wetness. I gyrate my hips once more, moving in small, wet, circles around your flaming erection. I can’t wait any longer, and lower myself further down onto your pole. I’m still tight from my orgasm, there’s quite a lot of resistance, and you gasp as my moist wetness gradually encases your helmet.

I slide all the way down your thick shaft. It feels huge inside me, stretching me to my very limits. You feel my wet pussy lips kissing your balls, and know that you are all the way inside me. I raise myself up once more, to the very top, then slowly slip all the way down again. It’s easier this time, as your cock’s now slick with my pussy juice. As I start to pick up the pace, you can feel my thigh muscles tensing and relaxing against your sides. I’m starting to slam back down a little harder, making us both judder as I slap down hard against your crotch. I feel full to bursting with your throbbing man-meat. I can feel another orgasm coming on, and I know that yours can’t be far off, either.

I ask you to scratch me to bring my orgasm on quicker. You trace your nails down my back, making me sigh. I take a breast in each

WorldMags

hand and lightly squeeze my nipples, moaning as you gently claw my back. I'm clenching your dick with my cunt and pulsing my muscles. I'm still pumping myself up and down your shaft, impaling myself on your hardness. Nearly… I ask you to scratch me harder. As you dig your nails in I'm cumming again, this one's bigger than the last and I scream as it rips through my body. Your cock jerks inside me, releasing spurt after spurt of your hot spunk. The feel of it splashing against my pussy walls prolongs my orgasm – I love the feel of hot seed inside me!

I dismount, feeling totally satisfied. But when we've both got our breath back, why don't we go down to the beach and check out the local talent?

Rachel, London

GLOBAL PORNING!

My tits are firm as well as large, which makes giving tit-fucks a real pleasure for me and whichever bloke I'm with. Ever since an old boyfriend first slid his cock between my boobs, squeezed them together and fucked them before shooting off over my neck, it's become my all-time favourite dick-pleasing technique. Over the years I've worked on various tit-fucking methods, so I've become an expert at getting a guy to shoot his load with my knockers in several different ways.

For example,while the guy's pumping away with me lying on my back, I'll knead my tits so that my stiff nipples actually massage his dick as he slides up and down. Just before he cums, I'll often tickle the tip of his cock with my tongue, and try and catch as much of that lovely spunk in my mouth as possible.

Or I might kneel in front of the lucky guy and tightly press my massive orbs around his shaft and balls, then, by rocking back and forth I can send him into ecstasy. Also, in this position, I can see his spunk spurt and arc into the air. I so love it when that happens!

My pièce de résistance, though, which my current man reckons is the most awesome thrill he's ever had, is to let him screw my knockers while he sits astride me, facing my cunt. He likes to finger my cunt and arsehole, and he'll fuck away till he's just about to cum, then I'll suddenly stuff my tongue in his arsehole as hard as I can. This is guaranteed to get the spunk blasting out of his dick to splatter my feet – such a compliment!

Any big-boobed babe ought to know how much guys love to stick their pricks between their knockers, but just a teensy bit of experimentation would blow their minds!

Karen, Monmouth.

“As I moaned, my mouth widened and I felt a gush of spunk hit the back of my throat”

RUBBED UP THE RIGHT WAY!

Nothing turns me on better than having a good cock to suck when I masturbate! As you can imagine, my boyfriend is certainly happy to oblige whenever this urge takes over me. I'm so into it that we have begun to make up scenarios to add to my excitement.

Our latest one involved me coming from the shower, lying on the bed to dry myself and apply my lotions and creams, before lying back with a towel obscuring my eyes. Feeling clean and relaxed, I ran my hands over my smooth upper body, tweaking my nipples erect before settling on my pussy. Parting my folds, I slipped the tip of my middle finger inside myself and then let it sink in, knuckle deep. Not being able to see, I took great pleasure in picturing my own fanny as I strummed at the clit with my thumb.

The first time I realised Alex was in the room was when I felt the softness of his foreskin at the side of my mouth. I immediately plunged two fingers deep into myself, and took my first lick at his penis. I felt his dick run across my lips, and I curled my tongue around his rigid shaft. My pussy was tightening on my fingers, and I had my other hand down there, working my button. I could sense Alex straddling me, and I begged, “Let me suck those balls.” Taking each one in my mouth in turn, I then popped them back out, before running my long tongue between them against the skin of his sac. Sucking and licking at the base of his penis, I could feel my saliva mingling with his pubes, and feeling like a total slut my only thought was to get that meat deep in my mouth. I took it to the back of my throat, and then clamped my mouth around it as he began to fuck my face.

My lower body was shuddering from my three middle fingers frigging my clit hard and fast. Just as I thought I couldn't pleasure myself more, I tasted Alex's pre-cum on my tongue and then pressed harder and quickened my action until my snatch felt like a cushion of warmth had been placed around it. His balls were banging against my chin as I sat up to really drive my head over his cock.

My twat was now so wet that I had nearly all my hand in there. I could sense that Alex was ready to spurt, and so leaving my thumb between my lips, hooked my index finger round to my arsehole. My sphincter relaxing, I probed up my bum, and closed my thumb and finger together just as I was about to climax. Letting out my first moan, my mouth widened and I felt a gush of spunk hit the back of my throat. His jizz hit my chin and neck, as he drenched me in his load, while my pussy juices ran down my inner thighs.

Alex then removed himself from my mouth, as I lay back on the bed once more, the towel still covering my eyes. He then left me to savour both of our juices, before falling asleep covered in them.

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

We can't think of many 46-year-olds who give us as much of a lump-on as Maria Bello. The American actress has starred in some great movies, and some filler too, but she's always been willing to get her clobber off 'if the role demands it', as they tell themselves. She's shared bush in *A History of Violence* and *The Cooler*, plus boob and bum in *The Company Men* and *Beautiful Boy*, to name just two of a slew of kit-off performances. We'd end with a joke about her getting our Bello-end, but we're not that kind of magazine… ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ANAL ANNIVERSARY

My three year anniversary was coming up with my boyfriend, Justin, and I asked him whether he wanted to do anything special to celebrate. "What do you mean by 'special'?" he asked, with a suggestive wink. We have a very active sex life, so I knew that doing something 'special' would have to be something pretty raunchy.

"What did you have in mind?" I asked, doing nothing to escape as he slid his hands down from my hips onto my bum.

"Well, I was thinking that you could wear that little cheerleader outfit." I nodded, knowing the one, knowing how much he loved it and the things that I could do in it. Having a girlfriend who can tumble, backflip, do the splits and handstands quickly gets a man to boiling point when he's not allowed to touch himself.

"So just the cheerleader outfit?" I asked.

"Not quite. You'd let me pull your panties down…"

"Yes, I would," I confirmed.

"And let me stick my cock…" he paused.

"Yes?"

"In your bum."

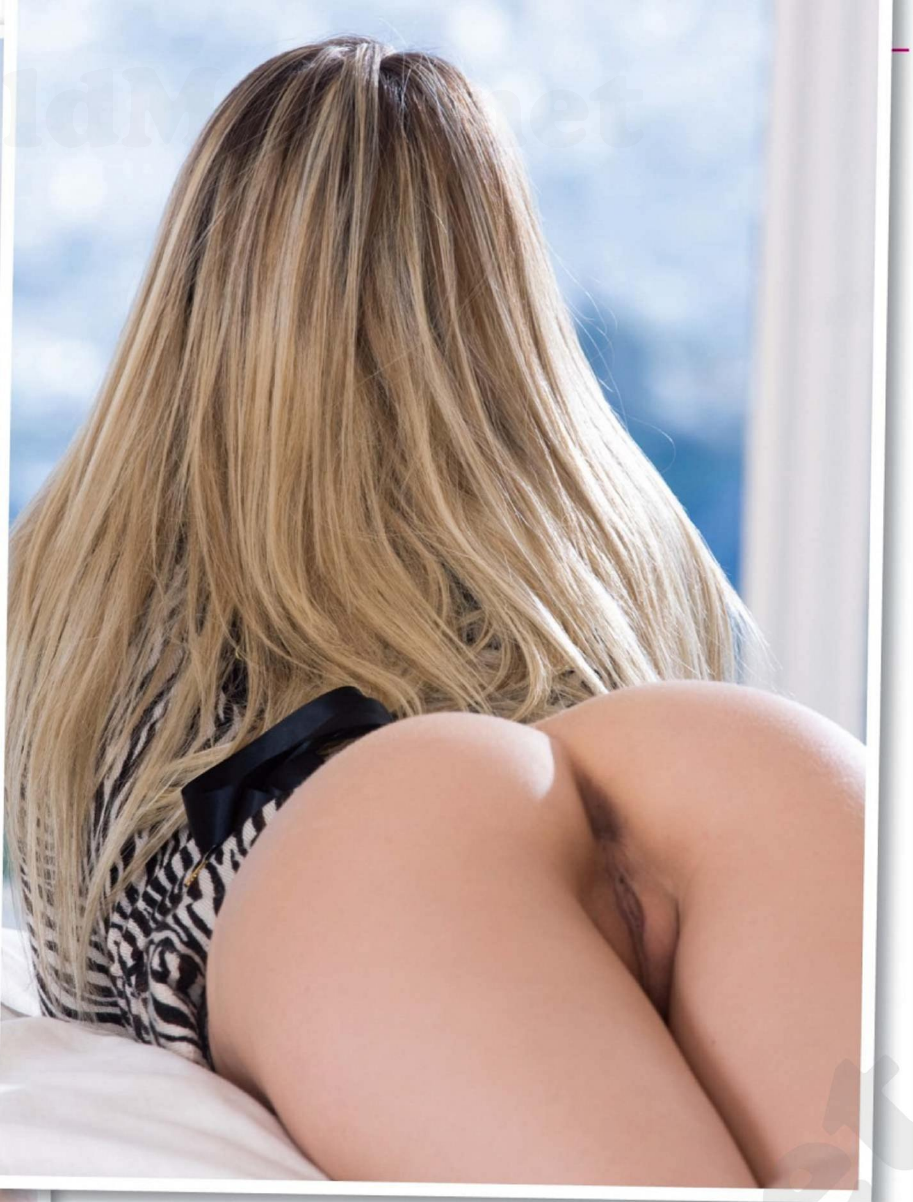
"Oh," I said, as he squeezed both of my buttocks. Justin hadn't brought up the anal thing for quite a while. I know he loves it but he's big and I'm small, which isn't a good combination when it comes to anal sex. However, I'm always willing to try and with a lot of preparation and a lot of lube, he could probably get his cock in back there for a few precious seconds… or maybe more. It had hurt whenever I had let him stick it in my bum but this time I had lots of time to prepare – over two weeks.

I did lots of stretching exercises and I was tempted to let Justin try-out his anniversary present early on more than one occasion. The idea of doing it on a fixed date was so exciting – I was constantly horny and found myself playing with bigger and bigger toys and more and more fingers. I bought some new lubricant which was lovely and thick and slippery. It started to feel good even when I pressed my biggest vibrator inside my bum and eventually all of it was sliding in and out. If all that could fit inside my bum, then there was a good chance that Justin's cock would also fit.

I masturbated a lot – even for me – and a lot of that masturbation involved sticking my biggest toys right up my bum. It gave me a very intense sexual rush to penetrate my arse and the explosion of feelings as I climaxed was like nothing I'd ever experienced before.

The day of our anniversary arrived – a Saturday – and I couldn't wait until after our evening date: when Justin woke up in the morning, it was to find me in my cheerleaders' outfit, complete with pompoms at the bottom of the bed. I did a few moves as Justin came fully awake. His eyes were drawn to my legs, or more accurately, what was between my legs. He loves those big white knickers under

> **"My litte skirt had been drawn up so Justin had an uninterrupted view of my bum and arsehole"**



the short red skirt – the way they flash draws his eyes to my pussy, no matter where he tries to look. And when Justin looks at my pussy, he gets horny.

There was a tell-tale lump in the sheets and I knew that my man was hard for me. I dropped the pompoms and made my way onto the bed. Sitting astride his legs, I pulled the sheet down to fully expose Justin's erection. It was as huge as ever and my pussy tingled as I took it in my hand and stroked it. Justin groaned happily as I stroked his cock, tugging his foreskin up and down. I smiled and lowered my mouth down to it, allowing my breath to play over it before kissing the very tip. I could taste the saltiness of his precum and it made me want him even more. I licked and sucked it all over, using my hand to guide it into my mouth. Justin lay there and let me play with and worship his tool. He made a big show of letting me take charge by placing his hands behind his head and closing his eyes, giving himself to me entirely.

After an extended session of cock pleasing, I still hadn't let him cum and we both knew the reason why. I slipped off the bed and made a show of removing my knickers. My freshly-shaved pussy was on full display but we both knew what the main attraction was – there was something different on the menu and there was no point trying to hide what was going to happen. I stood with my back to Justin as he lay on the bed and ran my hands down both legs, until they were gripping my ankles. My little skirt had been drawn up my back, so that Justin had an uninterrupted view of my bum and quite possibly my arsehole.

If he hadn't seen it on that first occasion, there was no missing it as I arched my back and used my hands to spread my bum cheeks. He was looking at my arsehole and I was showing it. I was so turned on that I couldn't help doing what I did next. I slid my hand down my back and slipped a single finger deep inside my bum. Justin gave me a wolf-whistle of approval. "That's nothing," I said, and grabbed the new bottle of lubricant and squirted some into my anal cleft. It was so slippery back there and two fingers disappeared into my bum with no effort whatsoever. This time Justin was quiet – he was watching. "Hey!" I exclaimed, looking back. "Get your hands off that – that cock is mine!"

Justin guiltily placed his hands back behind his head, using the muscles in his groin to make his cock switch back and forth a few times. I laughed. "OK, OK. It's time to give it a go." I squirted more lubricant on Justin's cock and used both hands to swirl it around, completely covering his eager flesh. It was so hot and hard in my hands – desperate to get inside my bum. I mounted Justin as he lay on the bed and shuffled into place, using my hand to guide the slippery fat head of Justin's cock right against my anus. Just the touch of his cock there, on that forbidden entrance, sent a shudder of delight and expectation through me. I wanted it inside my bottom.

I sat down firmly, applying more and more pressure to the interface of cock and anus. There was resistance but my ass was now accustomed to things pressing into it and there was never a question as to whether it would go in. I did it slowly, enjoying the guilty pleasure of taking my boyfriend's cock into my bum. It was very intense and the sensations were enhanced as I used my free hand to rub my pussy. Justin gripped my hips, supporting me as I lowered myself onto his cock, impaling myself deeper and deeper.

It felt like it was mostly inside me and I used my thighs to gently rise and fall. I groaned as I fucked my boyfriend's cock with my arse properly for the first time. My fingers rubbed faster and harder. "I'm going to cum," I whispered. "I'm going to cum with your cock buried in my bum." Justin groaned and his hips curled up against my body. I had thought that I'd taken him all the way inside me – I'd been wrong. My ass stretched as Justin pushed his cock right up inside me as I had demanded. Every sensation intensified and my orgasm fired from somewhere deep inside. My body jerked as my fingers buzzed over my clitoris; it was hot and desperate and wicked – the first orgasm I'd ever had with a cock buried in my bum. The intensity of it left me gasping for air and feeling very, very sexy.

Justin started rocking his hips back and forth and I was ready to take him. "Just do it, just fuck my sexy cheerleader bum," I gasped. That was all the encouragement Justin needed and my eyes went wide as he thrust up into my arse. I thought I had been ready with all my anal training – it was enough, just: although each thrust felt like it was piercing my insides – it never hurt. Justin felt so big back there but I was able to take it, and not just take it – the sensation of being properly fucked with an empty pussy was wonderful. For the first time, I could take everything Justin gave me and he was able to actually use my bottom.

"Oh fuck!" Justin groaned as he watched his cock jab up into my bum faster and faster. I knew he was close and that his cock was about to pump me full of hot cum. I felt his cock swell and he grabbed my hips and pulled me down onto his cock. He held me in place and I squealed with delight as he finally pumped my bum full of spunk. It was so, so naughty and a wonderful way to start our anniversary celebrations. In fact it was so good that I gave a repeat performance later in the day.

CONNY ♣

What a shower...

Conny spends a lot of time in the shower. For one, hair that long takes ages to wash. For two, it's her favourite place to get off.

"Sex in the shower is great," Conny tells us, "but I'm also happy in here on my own! I can get myself from zero to orgasm in about two minutes if I position the jets of water just right on my clit. A little bit of help from my fingers and I'm good to go!"

Is there room for another?

"Oh, definitely. I can always make room for someone in my shower. We can get clean together, then get all dirty, and then start all over again. The only downside is that my water bills are really high!"

It's a small price to pay... ♣

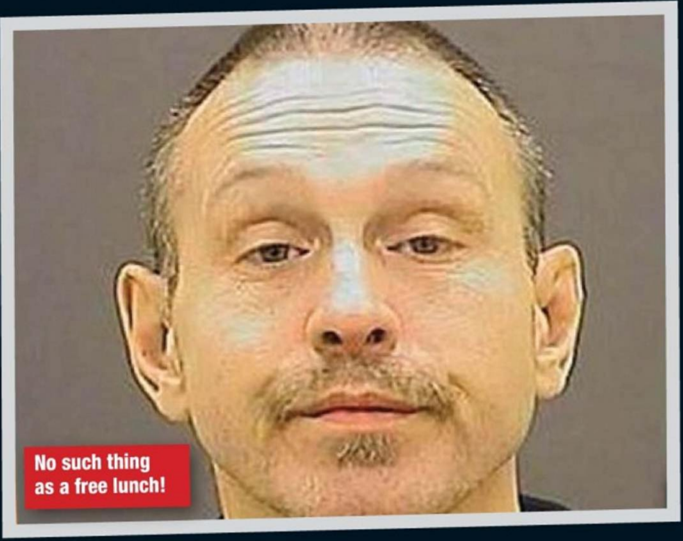
What our well-placed moles are telling us this month...

DOWN THE WIRE

Dine and Dash!



No such thing as a free lunch!

A man notorious with police and restaurant owners was recently arrested after refusing to pay his bill. Andrew Palmer, 46, is well known to restaurateurs in the Baltimore area for faking seizures when it's time to pay the bill and is often carted away by paramedics.

Palmer's career of petty crime has scene him rack up more than 90 arrests and he has also been charged with theft at least eight times this year. Lock up your dumplings when you see this guy coming.

Back-fired!

Drunken people, in a bar? Well, slap me with a Jagerbomb! Obviously the end of prohibition passed this lady by. A Florida woman was charged with misuse of the 911 system, after she repeatedly called the service to report too much drinking at her local bar. Mary Jaggers, 58, claimed to want all the patrons arrested for intoxication in order to stop people drink driving.

During the investigation the police discovered a twist in the form of hydrocodone, also charging Jaggers with drug possession. The Judge advised her to stay away from Artie's bar and alcohol in general. Good advice…

CRIME SCENE DO NOT CROSS

A man suspected of burglary was arrested less then 15 minutes after posting a taunt on a police department Facebook page. Rosenburg, Texas police reported that Damian and Rolando Lozano allegedly burgled 17 cars in one Sunday. The police apprehended Damian Lozano but Rolando remained at large, so the police posted his picture on their Facebook page in an appeal for help. Sure enough Rolando commented on his own photo and was quickly arrested. The police's responding post received 1095 'likes' and more than 320 shares.

Costume Rustler!

This theft seems to have taken its cue from 'Round the Horn'. Police in Southern California caught a cattle costume rustler after he listed the items nabbed in two separate restaurant thefts on the website Craigslist.

Don't have a cow, man!

Police say the 7ft cow costumes were created for the Chick-Fil-A chain and are valued at $2800 a piece, but were advertised on Craigslist for $350. An undercover operation was lunched to buy the costumes for a Halloween party. On producing the black and white bovine outfits Robert Trytten, 43, was arrested. Trytten is being held for possession of stolen goods. Holy cow. ♣
